Preparing for OFSTED

CPD CERTIFIED
The CPD Certification Service
A course for Senior leaders who wish to review the use of GO 4 Schools and prepare for inspection under the current framework. Discussion includes using GO 4 Schools to ensure consistent practice and embedding confidence at all levels of leadership Create impact with evidence for school effectiveness.

COURSE DETAILS

The course has been developed based on information provided by schools who have experienced an inspection under the current framework and includes advice and ideas about how their practice will be adapted in response to the findings.

Key areas covered during the session include:

- Preparation for inspection
- Understanding the 4 key areas of the OFSTED framework
- Using GO 4 Schools to evidence effective provision
- Wider applications of school data
- Setting up a narrative for 'Deep dives' into the curriculum
- Embedding all data and supporting dialogue with middle leaders.
- School improvement and the IDSR

Time will be given for delegates to discuss and share ideas of how they are using GO 4 Schools. We will also look at the wider aspects of tracking school data including careers, reading age scores, behaviour and attendance.

The course uses the OFSTED framework to look at real examples of how schools are using GO 4 Schools to drive school improvement, sharing lots of ideas from the best practise across our schools.

GO 4 SCHOOLS TRAINING EVENTS

Our training events are developed with the ethos of 'Working together' — sharing knowledge and confidence in school data to ensure a 'best practice' approach and maximum value.

This course is '**CPD Certified**' as the content has been accredited by the CPD Certification Service as conforming to continuing professional development principles, standards and benchmarks. The learning value has been scrutinised to ensure integrity and quality. All delegates will receive a certificate of attendance.

Current training offers include:

- End and start of academic year set up for Data managers
- Induction for new Data managers or those new to managing GO 4 Schools.
- Set up and use of markbooks
- Analysing data for Data manager, senior leadership and data teams
- Effective use of Behaviour and attendance modules
- Post-16 data analysis

See our website for more details: **Engage - GO 4 Schools**

Maximise your training:

All courses will be delivered using Microsoft Teams, we recommend that you use the App to access the training as the online version has some reduced functionality that may hinder the visibility of some aspects of the training session.

All delegates will require at least a laptop with a microphone and camera, if possible we suggest access to two screens so you can follow the training and also access GO 4 Schools during the training.

The course is also available to book exclusively for your school and is suitable for all levels of leadership.

Microsoft Teams

Delegates will need to have **School Manager** access in your GO 4 Schools system.
